

# My Chamber Story

Hello,

My name is Donna Angel branch manager for Community Trust Bank. It is my pleasure to share with you my introduction to the Berea Chamber of Commerce.

I became active with the chamber in 2003. I was invited to a chamber luncheon, of which I was overwhelmed with the kindness and gratitude of the chamber members. Through continued chamber meetings, communications, networking, city and county government projects, economic development, industrial group meetings, tourism focus groups, fellowship and friendship, I soon found myself a welcomed partner of the chamber and a volunteer in the community.

"My Chamber" has demonstrated to me that as a member, my voice is acknowledged, my concerns are shown compassion and consideration, and my feedback is appreciated and welcomed. I also find that "My Chamber" and "My Self" are on the same mission run, and that is to continue to build and strengthen the local city economy through our existing and new growth of retail business, manufacturing, medical field, arts and crafts, education, non profits and most of all to continue with our wonderful quality of life here in Berea.

"My Chamber" to me is like a scoop of homemade vanilla ice cream; it is a great flavor as it is, *however*, I can choose to load it with any topping or toppings I want. I can create the ultimate ice cream sundae, should I choose to go for it! I would encourage any business owner to pick up the phone and call "My Chamber" today, if YOU want to be on top of what is going on in your business community, surrounding counties, state and most importantly, if you want to make your dreams come true in our city of Berea. Become a MEMBER ..TODAY.
